

# SYMPOSIUM OF WOMEN EDUCATIONAL LEADERS

> April 25, 2017 <

Please join women educational leaders from around the State of Minnesota for the 5<sup>th</sup> annual Symposium of Women Educational Leaders. This event is designed to connect women educational leaders with one another. Attendees will have the opportunity to network with one another, enjoy powerful keynote speakers, and bring a guest who demonstrates potential for leadership. Last year, we were thrilled to have almost 200 attendees and we hope to have a similar number this year. Breakout sessions will be led by experts and are designed to provide valuable, relevant knowledge that leaders can take back to their districts and implement immediately! Attendees will select the sessions that best meets their professional needs.
